**Family Corner:** Touch, laughter and play release chemicals such as opioids and dopamine into your child's brain. When a child is invited into a special moment of fun and togetherness, it creates a sense of well-being and a feeling of likeability. It sets children up for a lifetime of happy interactions and good self-esteem.

## **KHAOS EASTER YOUTH CAMP**

This weekend - please pray that they will enjoy the time together and with God.

## **Card Making Marathon ...**
